Case No.

COMPLAINT

DEMAND FOR JURY TRIAL

ECF CASE

Plaintiff, The Orchard Enterprises, Inc., by its attorney, Anthony Motta, as and for its complaint against the defendant, Imeem, Inc., alleges the following:

PARTIES

1. Plaintiff, The Orchard Enterprises, Inc. ("Orchard") is a Delaware corporation authorized to do business in New York State, with its principal place of business at 23 East 4th Street, 3rd Floor, New York, New York 10003.

2. Orchard is a music industry leader in worldwide digital based aggregation and distribution of digitized music, video and new media to online music retailers, mobile digital retailers, advertising agencies, music supervisors, film and television production companies among others, on its own behalf, and on behalf of record label and artist clients. Orchard holds copyrights registered with the U.S. Copyright Office in musical recordings it distributes (the "Orchard Masters").

3. Orchard Enterprises NY, Inc. ("Orchard NY") is a New York corporation wholly owned by Orchard with its principal place of business at 23 East 4th Street, 3rd Floor, New York,

New York 10003.

4. Upon information and belief, the defendant, Imeem Inc. (“Imeem”), is a Delaware corporation with offices in San Francisco, California and at 37 West 28th Street, New York, New York 10001-4203.

5. Upon information and belief, since approximately October 2004, Imeem has been the operator of the internet website “www.imeem.com” (the “imeem website”).

6. The imeem website provides a viral content sharing platform and social networking service, permitting, in part, those who register to establish an account and obtain a password to access sound recordings, videos and other images, to download sound recordings as “ring tones”, to play sound recordings and videos as streaming media, to save the sound recordings and videos for future play as streaming media in the form of “playlists”, to share “playlists” with third parties, and to permit third parties to add such “play lists” to their profile and their own “playlists”.

7. Upon information and belief, Teevee Toons, Inc. d/b/a TVT Records, Debtor (“TVT”) is a Delaware corporation authorized to do business in New York State which on or about February 19, 2008 sought Chapter 11 Bankruptcy protection from the United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”) under Case No. 08-10562 (the “TVT Bankruptcy”).

8. Upon information and belief, TVT was an independent record label which over the course of its twenty-five year history produced sound recordings from which it released twenty-five Gold, Platinum and Multi-platinum albums from such artists as Nine Inch Nails, Ja Rule, Lil Jon, Snoop Dogg, the Eastside Boyz, Dashboard Confessional and Ying Yang Twins.

9. TVT owned the sound recordings and the copyrights associated with such sound recordings (the "TVT Masters") of the musical artists signed to it and it duly registered with the U.S. Copyright office "SR" copyrights in the TVT Masters. Attached as part of Exhibit A is a list of the TVT Masters, the SR number assigned each registration, and the date of the registration of each Master with the U.S. Copyright Office.

10. On or about June 26, 2008, the Bankruptcy Court issued a court order in the TVT Bankruptcy approving the sale of certain assets then owned by TVT and authorizing the assumption and assignment of certain executory contracts in connection with the sale of such assets, subject to an auction conducted in accordance with certain approved "Bid Procedures". At the auction, Orchard made the "highest and best offer" for such assets as determined by TVT and the Official Committee of Unsecured Creditors and the Court approved the sale of such assets to Orchard by TVT, subject to the terms of the Asset Purchase Agreement (the "Asset Purchase Agreement") between TVT and Orchard.

11. Pursuant to the Asset Purchase Agreement, Orchard, acquired all sound recordings, recorded masters, and tangible embodiments of sound recordings, the artwork and related rights created in connection therewith, as well as all copyrights and related Intellectual Property rights associated therewith, including, without limitation, the TVT Masters.

12. On or about August 28, 2009, Orchard caused to have the Assignment of Copyrights (the "Assignment") in and to the TVT Masters that was given by TVT to Orchard pursuant to the Asset Purchase Agreement to be recorded in the U.S. Copyright Office. A true and correct copy of the Certificate of Recordation is annexed as Exhibit A.

13. On or about October 2006 a wholly owned subsidiary of Orchard, currently named

Orchard Enterprises NY, Inc., entered into a Content Sales and Snocap Services Agreement with SNOCAP, Inc., an online music distributor and copyright management service known primarily for its "digital fingerprinting technology" ("Snocap" and the "Snocap Agreement").

14. The grant of rights in the Snocap Agreement was limited to the commercial exploitation of master recordings owned or controlled by Orchard NY, via digital download only and specifically not via streaming media. Such grant of rights permitted only promotional "preview clips" defined in the Snocap Agreement as "a digital sample of Your Master not exceeding thirty (30) seconds in duration (except for digital samples in the classical and jazz genre, which shall not exceed sixty (60) seconds in duration)". The distribution fee, as provided under paragraph 2(a) of the Snocap Agreement, refers only to downloads as being subject to such distribution fee.

15. Upon information and belief, in or about February 2008 Imeem acquired Snocap by purchase of shares of its stock and thereby assumed the duties and obligations of Snocap under the Snocap Agreement.

16. Thereafter, Imeem made available at least a portion of the TVT Masters and Orchard Masters by streaming media on the imeem website for a purpose other than as promotional preview clips and for a duration longer than permitted by the Snocap Agreement.

17. On or about June 29, 2009, Jason Pascal, the Vice President and Senior Counsel for Orchard, notified Imeem's counsel, Elizabeth Moody of Davis, Shapiro, Lewit and Hayes, LLP, via e--mail, that Imeem should cease making available for streaming on the imeem site any of the TVT Masters and Orchard Masters unless and until a license agreement was entered into between Imeem and Orchard.

18. Imeem has failed to cease permitting the streaming on the imeem website of the TVT Masters and Orchard Masters.

19. To date at least forty-four (44) albums upon which are embodied individual master recordings and three (3) individual master recordings from the TVT Masters and the Orchard Masters remain available for streaming on the imeem website. (The "Infringed Masters". A list of the Infringed Masters is attached as Exhibit B.)

JURISDICTION AND VENUE

20. This is a civil action seeking damages and injunctive relief for copyright infringement under the Copyright Law of the United States (the "Copyright Act"), Title 17 U.S.C. §101 *et seq*; and damages under the copyright laws of other countries.

21. This Court has jurisdiction over the subject matter of this action pursuant to 17 U.S.C. §101, *et seq.*, 15 U.S.C. §1121 and pursuant to 28 U.S.C. §1331 and §1338(a).

22. Venue of this case is proper in this district pursuant to 28 U.S.C. §1391(a) and 28 U.S.C. §1400.

FIRST CLAIM FOR COPYRIGHT INFRINGEMENT AGAINST IMEEM

23. Plaintiff repeats the allegations set forth in paragraphs 1 through 22.

25. Through its conduct alleged hereunder, Imeem has infringed and/or has caused the infringement of Orchard's copyrights in and to the Infringed Masters in violation of §106, and pursuant to §501, of the Copyright Act, 17 U.S.C. §§106 and 501, and under the laws of the various countries in which Imeem has made available the Infringed Masters for interactive streaming and public performance.

26. Each infringement by Imeem of Orchard's copyright in a master forming part of the Infringed Masters constitutes a separate and distinct act of infringement. Imeem's acts of infringement were willful, intentional, purposeful, in disregard and/or indifferent to the rights of Orchard.

27. As a direct and proximate result of said infringements by Imeem, Orchard is entitled to damages in an amount to be proven at trial which Orchard cannot presently ascertain or compute.

28. Orchard is also entitled to Imeem's profits attributable to each separate infringement pursuant to 17 U.S.C. §504. Orchard also is entitled to an accounting of all gross proceeds received by Imeem, directly or indirectly, from all uses of the Infringed Masters and request is hereby made that the Court order Imeem to render such an accounting of, and impose a constructive trust for the benefit of Orchard, with respect to such profits.

29. Alternatively, Orchard is entitled to statutory damages with respect to the Infringed Masters for which copyright registrations have been obtained, pursuant to 17 U.S.C. §504 (c), in the amount of \$150,000.00 for each infringement by Imeem, or for such other amounts as may be proper under 17 U.S.C. §504(c).

30. Orchard is further entitled to an award of its attorney's fees and full costs in the commencement and prosecution of this action pursuant to 17 U.S.C. §505.

31. As a direct and proximate result of the foregoing acts and conduct, Orchard has sustained and will continue to sustain substantial, immediate, and irreparable injury, for which there is no adequate remedy at law. Unless Imeem is enjoined and restrained by this Court, Imeem will continue to infringe the copyrights in and to Infringed Masters by making them

available on the imeem website. Such infringement will, among other irreparable harm and damages, cause Orchard irreparable harm by damaging its goodwill and reputation and by destroying the commercial market for the Infringed Masters, causing Orchard to lose the benefits to which it is entitled based upon its rights in and to the copyrights in the Infringed Masters and based upon Orchard's extensive investment of time, effort and money in purchasing and promoting the Infringed Masters. Orchard is therefore entitled to the issuance of preliminary and permanent injunctive relief as against Imeem from engaging in its wrongful acts, as alleged herein.

**SECOND CLAIM AGAINST IMEEM
FOR COMMON LAW UNJUST ENRICHMENT**

32. Orchard repeats the allegations set forth in paragraphs 1-31.

33. Upon information and belief, Imeem has been and will continue to be unjustly enriched as a result of its unauthorized use of Orchard Masters for interactive streaming, thereby depriving Orchard of revenues it rightfully should receive.

34. By the acts described hereunder, Imeem has retained revenues to which it is not equitably or legally entitled, and is thereby unjustly enriched at Orchard's expense, in violation of the common law of the State of New York.

35. Imeem's acts have caused, and will continue to cause, irreparable injury to Orchard. Orchard has no adequate remedy at law and is thus damaged in an amount not yet determined.

WHEREFORE, Orchard demands judgment:

a) For a preliminary and permanent injunction enjoining Imeem and all persons acting in concert with it from

- i) Copying, reproducing, making available for interactive streaming, performing, promoting, advertising and distributing any of the Infringed Masters, or artwork, or performing any material that is substantially similar to the Infringed Masters and to deliver to the Court for destruction or other reasonable disposition all such material and means for producing same in Imeem's possession or control; and
 - ii) attempting, causing or assisting any of the above actions to occur.
- b) For actual damages and Imeem's profits in an amount in excess of \$150,000 to be determined at trial.
- c) For statutory damages pursuant to 17 U.S.C. §504.
- d) For an accounting of, and imposition of a constructive trust with respect to Imeem's proceeds and profits attributable to their infringements of Orchard's copyrights in and to the Infringed Masters and artwork.
- e) For interest on the damages awarded plaintiff.
- f) For its reasonable attorney's fees and costs.
- g) For such other and further relief as the Court deems just and proper.
