

PAUL WILLIAMS
President and Chairman of the Board

March 2020

Dear ASCAP member,

Enclosed is your first domestic publisher statement of the year, reflecting US performances of your music between July and September of 2019. This distribution also includes royalties from our annual surveys of symphonic, recital and educational concert performances.

For the past 15 years, ASCAP's annual conference has brought together music creators from all over the world to network, collaborate and learn. Out of consideration for the health and safety of our members and all other participants, and due to rising concerns about the spread of COVID-19 (coronavirus), **the determination has been made to cancel the 2020 ASCAP Experience.** We are exploring other ways of gathering our music creator community, whether in person or virtually, at a later date and hope to share more on that soon. In the meantime, all registered attendees will be eligible for a full registration refund.

One event that ASCAP unfortunately *cannot* postpone is Tax Day. **2019 tax forms** based on your ASCAP royalties are now available in your Member Access account. Log in at www.ascap.com/members and click "Earnings" in the navigation bar. You will see the "Tax Forms" link if you have ASCAP tax documents available. We will also send your annual tax statement to you by mail.

Wishing good health to you and yours,

Paul Williams
