Scheduling Order and Order of Referral to Mediation

Plaintiff Securities and Exchange Commission requests an approximately two-month extension of the fact discovery deadline in this case because it anticipates deposing “at least ten witnesses.” Defendants Prager Metis CPAs, LLC, and Prager Metis CPAs LLP (together, “Prager”) request an extension of all deadlines while the Court considers their motion to dismiss. In light of the Court’s denial of Prager’s motion for a stay, combined with the parties’ lack of agreement about the proposed scheduling modifications, the Court is not persuaded that this case is uniquely complex such that a protracted schedule is warranted. Accordingly, the Court largely denies the parties’ request for a deviation from the Court standard scheduling track, accommodating it only to the extent the Court’s own scheduling requirements allow.

This action is thus set for trial during the two-week trial period beginning on **January 27, 2025**, at the Wilkie D. Ferguson, Jr. United States Courthouse, 400 N. Miami Avenue, Courtroom 12-3, Miami, Florida. Calendar call will be held at the same location at 9:00 a.m. on the **preceding Tuesday, January 21, 2025**. A pretrial conference will be held immediately following calendar call only if requested by the parties in advance.

1. The parties must comply with the following schedule:

March 14, 2024	Deadline to join additional parties or to amend pleadings.
May 16, 2024	Deadline to file joint interim status report.
August 1, 2024	Deadline to file Proposed Order Scheduling Mediation, setting forth the name of the mediator, and the date, time, and location of the mediation, consistent with the Order of Referral to Mediation (which immediately follows this scheduling order).
September 12, 2024	Deadline to complete all fact discovery.

	<p>Deadline to submit joint notice indicating whether the parties consent to jurisdiction before the designated magistrate judge for purposes of final disposition.</p> <p>Deadline to exchange expert witness summaries/reports pursuant to Federal Rule of Civil Procedure 26(a)(2). Rebuttal disclosures are permitted, and must conform to the deadline set forth in Federal Rule of Civil Procedure 26(a)(2)(D)(ii).</p> <p>(When a treating physician testifies regarding opinions formed and based upon observations made during the course of treatment, the treating physician need not produce a Rule 26(a)(2)(B) report. By contrast, the Court in its discretion requires treating physicians offering opinions beyond those arising from treatment to produce full Rule 26(a)(2)(B) reports. <i>See Cedant v. United States</i>, No. 21-12661, 2023 WL 4986402 (11th Cir. Aug. 4, 2023).)</p>
September 26, 2024	Deadline for the filing of all dispositive motions.
October 10, 2024	Deadline to complete mediation, consistent with the Order of Referral to Mediation (which immediately follows this scheduling order).
November 14, 2024	Deadline to complete all expert discovery.
November 26, 2024	Deadline for the filing of pretrial motions, including motions in limine and <i>Daubert</i> motions.
December 30, 2024	Deadline to file joint pretrial stipulation under Local Rule 16.1(e) and pretrial disclosures as required by Federal Rule of Civil Procedure 26(a)(3).
January 13, 2025	Deadline to file proposed jury instructions (if the matter is set for a jury trial) or proposed findings of fact and conclusions of law (if the matter is set for a bench trial) consistent with Local Rule 16.1(k).

2. Interim Joint Status Report. The parties are required to submit an interim joint status report addressing the following issues:

- a) Have all defendants been served? If not, state the reasons.
- b) Have all defendants responded to the complaint? If not, state the reasons.
- c) If this is a class action, has a motion for class certification been filed? If so, what is its status?
- d) Have the parties agreed on and selected a mediator? Have the parties agreed upon a place, date, and time for mediation?

- e) Have the parties engaged in informal settlement negotiations? If not, explain the reasons for the failure to do so. If yes, state the status of such negotiations (*e.g.*, ongoing, impasse, etc.) and the relative prospects for resolution through informal means.
- f) Describe the status of discovery conducted to date, and identify whether the parties reasonably believe that they will be able to complete discovery by the Court's deadline. If not, explain the reasons.
- g) Identify any other issues that the Court should be aware of that may affect the resolution of this matter or the schedule as currently set.

3. References to documents in summary-judgment motions. When a party files a motion for summary judgment, the party must include the ECF number of any exhibits or other documents referred to in the motion or the accompanying statement of material facts (required by Local Rule 56.1). This means that if a document is not already on the record, a party will need to submit a *Notice of Filing* **before** he or she files the summary-judgment motion and the statement of material facts.

4. Limit on motions in limine & Daubert motions. Each party is limited to filing one motion in limine and one *Daubert* motion. If a party cannot address his or her evidentiary issues or expert challenges in a 20-page motion, leave to exceed the page limitation will be granted upon a showing of good cause. The parties are reminded that motions in limine and *Daubert* motions must contain the Local Rule 7.1(a)(3) pre-filing conference and certification.

5. Jury Instructions. The parties must submit their proposed jury instructions jointly, though they need not agree on each proposed instruction. Where both parties agree on a proposed instruction, that instruction must be set out in regular typeface. Instructions proposed only by a plaintiff must be underlined. Instructions proposed only by a defendant must be bold-faced. Every instruction must be supported by a citation of authority. The parties should use as a guide the Eleventh Circuit Pattern Jury Instructions for Civil Cases, including the directions to counsel, or the applicable state pattern jury instructions. The parties must jointly file their proposed jury instructions via CM/ECF, and must also submit their proposed jury instructions to the Court via e-mail at scola@flsd.uscourts.gov in Word format (.doc).

6. Trial Exhibits. All trial exhibits must be pre-marked. Plaintiff's exhibits must be marked numerically with the letter "P" as a prefix. Defendant's

exhibits must be marked alphabetically with the letter “D” as a prefix. A list setting out all exhibits must be submitted at the time of trial. This list must indicate the pre-marked identification label (*e.g.*, P-1, or D-A) and must also include a brief description of the exhibit.

7. Deposition Designations. Any party intending to use deposition testimony as substantive evidence must designate by line and page reference those portions in writing. The designations must be served on opposing counsel and filed with the Court 14 days before the deadline to file the joint pretrial stipulation. The adverse party must serve and file any objections and any cross-designations within seven days. The initial party then has seven days to serve and file objections to the cross-designations.

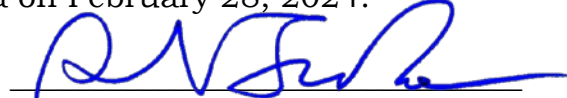

8. Voir Dire Questions. The Court will require each prospective juror to complete a brief written questionnaire prior to the commencement of questioning in the courtroom. Any party may submit up to five proposed, case-specific questions to be included in the questionnaire. The proposed questions must be filed with the Court at the time of the filing of the joint pretrial stipulation, and must also be submitted to the Court via e-mail at scola@flsd.uscourts.gov in Word format (.doc).

9. Notification of juror misconduct. Every party has an affirmative duty to notify the Court **immediately** of any possible juror misconduct or any information that might possibly reflect on a juror’s ability to serve. Immediate notification is required to allow the Court the opportunity to address the issue, including questioning the juror and, if necessary, discharging the juror and seating an alternate juror. In any trial lasting more than five days, the Court imposes an affirmative duty on both sides to conduct all reasonable investigations of juror misconduct, including statements provided during voir dire, and to advise the Court immediately of any discovered misconduct. Any party who fails to conduct a reasonable investigation in this situation and later discovers an incidence of juror misconduct has waived his, her, or its right to rely on that misconduct in a motion before this Court.

10. Settlement Conference Before Magistrate Judge. The parties may, at any time, file a motion requesting a settlement conference before United States Magistrate Judge Jonathan Goodman. The Court encourages the parties to consider a confidential settlement conference with Judge Goodman, especially if the parties believe there is a meaningful chance of reaching an early, amicable resolution of their dispute.

11. Settlement Notification. If this matter is settled, counsel are directed to inform the Court promptly via telephone (305-523-5140) and/or e-mail (scola@flsd.uscourts.gov).

Order of Referral to Mediation

Trial having been set in this matter, pursuant to Federal Rule of Civil Procedure 16 and Local Rule 16.2, it is **ordered and adjudged** as follows:

1. All parties are required to participate in mediation. The parties must conduct their mediation no later than the deadline set out in the Court's Scheduling Order.
2. The Court designates Plaintiff's counsel as *lead counsel* for purposes of this mediation order. Upon written agreement by all counsel of record and any unrepresented parties, the parties may designate a different attorney to be *lead counsel* for purposes of this mediation order. Lead counsel is responsible for scheduling the mediation conference.
3. The parties are encouraged to avail themselves of the services of any mediator on the List of Certified Mediators, maintained in the office of the Clerk of the Court, but may select any other mediator. The parties must agree upon a mediator within 60 days from the date of this Order. If there is no agreement, lead counsel must promptly notify the Clerk of the Court in writing and the Clerk of the Court will designate a mediator from the List of Certified Mediators. That designation will be made on a blind rotation basis.
4. A place, date, and time for mediation convenient to the mediator, counsel of record, and unrepresented parties must be established no later than the deadline in the Scheduling Order. Lead counsel must complete the attached form *Order Scheduling Mediation* and submit it to the Court. **The parties must agree on a place, date, and time for mediation and lead counsel must submit the proposed order scheduling mediation, no later than the deadline set forth in the Scheduling Order.**
5. Pursuant to Local Rule 16.2(e), the appearance of counsel and each party or representatives of each party with full authority to enter into a full and complete compromise and settlement is mandatory. If insurance is involved, an

adjuster with authority up to the policy limits or the most recent demand, whichever is lower, must attend.

6. All proceedings of the mediation will be confidential and privileged.

7. At least 14 days prior to the mediation date, each party must present to the mediator a confidential brief written summary of the case identifying issues to be resolved. The mediator is authorized to grant extensions of time up to the mediation for the parties to file their mediation statements.

8. The Court may impose sanctions against parties and/or counsel who do not comply with the attendance or settlement authority requirements in this Order, or who otherwise violate the terms of this Order. The mediator must report non-attendance and may recommend imposition of sanctions by the Court for non-attendance.

9. The mediator must be compensated in accordance with the standing order of the Court entered pursuant to Local Rule 16.2(b)(7), or on such basis as may be agreed to in writing by the parties and the mediator selected by the parties. The cost of mediation must be shared equally by the parties unless otherwise ordered by the Court. All payments must be remitted to the mediator within 45 days of the date of the bill. Notice to the mediator of cancellation or settlement prior to the scheduled mediation conference must be given at least three full business days in advance. Failure to do so will result in imposition of a fee for two hours of mediation.

10. If a full or partial settlement is reached in this case, counsel must promptly notify the Court of the settlement in accordance with Local Rule 16.2(f), by the filing of a notice of settlement signed by counsel of record within 14 days of the mediation conference. Thereafter the parties must promptly submit an appropriate pleading concluding the case.

11. Within seven days following the mediation conference, the mediator must file a Mediation Report indicating whether all required parties were present. The report must also indicate whether the case settled (in full or in part), was adjourned, or whether the mediator declared an impasse. **If the mediator fails to file a Mediation Report within seven days following the mediation conference, lead counsel must file a Mediation Report within 14 days after the mediation conference.**

12. If mediation is not conducted, the case may be stricken from the trial calendar, and other sanctions may be imposed.
